Respondent. )

**HEARING OFFICER ORDER**

On July 29, 2004, the parties participated in a telephone status conference with the hearing officer. Petitioner has received respondent's full comments along with attachments on the revised remedial action plan. Petitioner's consultant is reviewing the comments and working with respondent. Petitioner is organizing a meeting with respondent's RCRA and site remediation personnel to devise a final, clear-cut plan to remediate the site. Ideally, the final plan would be in place in time to implement next spring.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on October 28, 2004. The status conference shall be initiated by the petitioner. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

There is an open waiver of the decision deadline in this matter.

IT IS SO ORDERED.
