HEARING OFFICER ORDER

A telephonic status conference was scheduled for September 9, 2004. Respondent did not appear. The petitioner informed the hearing officer that the parties have had a series of meetings regarding a related appeal. It is anticipated by the petitioner that resolution of the related appeal will resolve the above-captioned appeal.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 9:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss this matter is filed prior to the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
