HEARING OFFICER ORDER

On July 15, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the related enforcement matter is close to settling and they anticipate that a consent order will be entered within the next 21-days. Once the consent order is entered, the petitioners anticipate that they will be filing a motion for voluntary dismissal for the respective matters. The petitioners represented that they will file a waiver of the statutory decision deadline to and including November 18, 2004.

The parties are directed to participate in a telephonic status conference with the hearing officer on August 19, 2004, at 9:30 a.m. The status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing. If, however, motions to dismiss the respective matters are filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
