**HEARING OFFICER ORDER**

On October 19, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement in this matter subject to final approval. The petitioner made an oral motion for an extension of time to file a response to the respondent's motions for reconsideration and to dismiss if needed. The respondent had no objection. The petitioner's motion is granted and its response is now due to be filed on or before April 13, 2005. The respondent made an oral motion for an extension of time to file the record in the above-captioned matter if needed. Petitioner had no objection. The respondent's motion is granted and the record is now due to be filed on or before April 13, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 21, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
