HEARING OFFICER ORDER

On February 3, 2005, a telephonic status conference was held. Respondent 4832 S. Vincennes, L.P., did not appear. The respondent Batteast Construction Company of Illinois, Inc., represented that it intends to forward the additional supplemental environmental project (SEP) information to the complainant for its review within 7 days. Settlement discussions continue and discovery is proceeding.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 24, 2005, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
