ORDER OF THE BOARD (by C.A. Manning):

On September 17, 1998, the Board entered a default order in this action, noting that no petition for review had been filed. The Board subsequently discovered that the order had been prematurely entered due to an error in docketing the final date of the 35-day period during which a petition for review could be filed. Under Section 31.1(d)(1) of the Environmental Protection Act (415 ILCS 5/31.1(d)(1) (1996)), no default order should have been entered prior to October 6, 1998.

On October 5, 1998, the Board received a petition for review from the respondent. The Board accordingly vacates the September 17, 1998 default order and accepts this petition for review. A hearing officer will be assigned, who will contact the parties to set a date for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of October 1998 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
