ILLINOIS ENVIRONMENTAL PROTECTION AGENCY'S
MOTION FOR EXTENSION OF TIME

NOW COMES the Illinois Environmental Protection Agency ("Illinois EPA"), by and through one of its attorneys, Kyle Rominger, and submits the following Motion for Extension of Time:

The Illinois EPA respectfully requests an extension of the deadline for filing all of its pre-filed answers until June 15, 2005. The Illinois EPA requests the extension due to the number of pre-filed questions to which it must respond and pressing legislative matters that continue to require the time of Illinois EPA counsel and LUST staff.

An extension of time to June 15th will provide the Illinois EPA with the time it needs to provide meaningful answers to the pre-filed questions, while ensuring that parties receive the answers in sufficient time to review them prior to the July 1st deadline for pre-filed testimony. Counsel for PIPE has been contacted regarding the extension and has indicated that PIPE would not object to such an extension.

Respectfully submitted,

PROTECTION AGENCY
