**HEARING OFFICER ORDER**

On September 2, 2004, the parties informed the hearing officer that a settlement has been achieved and that the petitioner anticipates that it will file a voluntary motion to dismiss. The respondent's attorney is reminded to file its appearance.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 14, 2004, at 9:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
