RE: Jo'Lyn Corporation/Falcon Waste & Recycling, Inc.
Petition for Adjusted Standard
AS 04-02

Dear Ms. Gunn,

At a recent social gathering I learned of the above petition before your Board.

I wish to add my support to the approval of the petition. To me this is a public win-win situation. The public gains by avoiding the depletion of finite land-fill space. It also gains by utilizing the recycled shingles as a less expensive material in re-surfacing rural roads.

I urge the granting of the petition for adjusted standard.

Sincerely,

Warren A. Furst
