HEARING OFFICER ORDER

On March 17, 2005, all parties participated in a telephonic status conference with the hearing officer. The respondent represented it is reviewing the stipulation and proposal for settlement (stipulation) and that it anticipates that it will be filed in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 5, 2005, at 9:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
