HEARING OFFICER ORDER

On November 24, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties informed the hearing officer that this matter is related to two other enforcement matters, one in state circuit court and one in the federal district court. The parties further represented that the issues in this matter have been narrowed and that petitioner will forward additional material to the Illinois Environmental Protection Agency (Agency) in an attempt to address some of the Agency's concerns.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 10, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the matter and their readiness for hearing.

IT IS SO ORDERED.
