HEARING OFFICER ORDER

On September 28, 2004, the parties participated in a telephone status conference with the hearing officer. Testing has been completed at the site, and complainant's consultant will submit a report to the Illinois Environmental Protection Agency (Agency) next week. The parties hope to meet with the Agency before the next status conference to determine what further action is needed.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on December 21, 2004. The status conference shall be initiated by the complainant, although each party is responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
