HEARING OFFICER ORDER

On April 22, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it does not appear that a settlement *in toto* will be attained anytime soon. But, the parties will draft a document to be filed with the Board stipulating that, should the terms regarding steps taken to reach a resolve therein not be attained, the complainants should be allowed to file a second complaint without objection by the respondent.

The parties are directed to participate in a telephonic status conference with the hearing officer on May 13, 2004, at 2:30 p.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
