Re: Falcon Waste & Recycling Inc.

To Whom It May Concern:

Please consider this letter my request that the Illinois Pollution Control Board adjust the standard ruling for the shingle recycling process presented by Falcon Waste and Recycling Inc.

Falcon Waste and Recycling Inc. has requested that their process be considered as a recycling process instead of a waste handling or waste disposal process. Falcon's process prevents the shingle scraps from being sent to a landfill for disposal by making a new product.

New and innovative processes such as Falcon's should be considered both for their economical and environmental benefits. Thank you for your time and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Pamela J. Althoff".

Pamela J. Althoff
