

ILLINOIS POLLUTION CONTROL BOARD
January 18, 2001

IN THE MATTER OF:)
)
SITE REMEDIATION PROGRAM:) R01-27
AMENDMENTS TO 35 ILL. ADM. CODE) (Rulemaking – Land)
740)

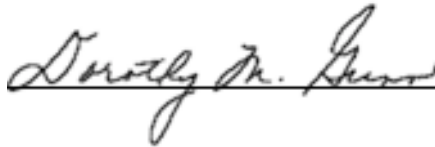

ORDER OF THE BOARD (by M. McFawn, E.Z. Kezelis, and N.J. Melas):

On January 12, 2001, the Illinois Environmental Protection Agency (Agency) filed a rulemaking proposal pursuant to 35 Ill. Adm. Code 102.200 and 102.202 of the Board's procedural rules. The proposed rulemaking would update and clarify the Site Remediation Program (SRP), adopted by the Board in In the Matter of: Site Remediation Program (Brownfields) and Groundwater Quality (35 Ill. Adm. Code 740 and 35 Ill. Adm. Code 620) (June 5, 1997), R97-011. The SRP is a voluntary program under which participants may clean up sites where contaminants are present. The amendments are based on the experience gained by the Agency in administering the rules for over three years.

The Board finds that the petition meets the minimum requirements of 35 Ill. Adm. Code 102.202 and accordingly accepts this proposal for hearing. The Board directs the hearing officer assigned to this matter to schedule hearings as required pursuant to Title VII of the Illinois Environmental Protection Act (415 ILCS 5/1 *et seq.* (1998)).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of January 2001 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
