NARRATIVE

On July 19, 2004 a reinspection was conducted from 10:45 a.m. until 11:30 a.m. at the Groff Property by R. Eugene Figge (this author) of DLPC/FOS - Peoria. The used tire notification form has been submitted. The annual fee has been paid. In a response to an ACWN Mr. Groff stated he was going into the used tire disposal business. In this response Mr. Groff went on to state that he planned on using a laser beam to blow up tires. This is the same information that was submitted with the used tire notification form after Mr. Groff had received the ACWN.

A truck was observed on the property that had been used to transport used tires to the Knox County Tire Collection. The truck is very distinctive because of a wire spool that has been welded to the side of the bed, as shown in photographs 4 and 11. In a telephone conversation Mr. Groff admitted to transporting tires to the county collection, but stated that these tires had been dumped on his property without permission. The author pointed out that he had previously stated that he was starting a tire disposal business and had been told to not dispose of used tires at Agency sponsored collections. Mr. Groff's response was that he had accepted a few tires in trade, but most had been dumped on him. He still planned to go into the tire disposal business, but because of failing health he just needed more time to cleanup his property.

Most of the used tires had been removed from the area where they had previously been accumulated, as shown in photographs 9 and 10. A new accumulation of used tires was located at the front of the property, as shown in photographs 1 and 2. The tires that are now located at the front of the property are mostly on the rim, as shown in photographs 5 and 6.

One tractor tire was not mounted on the rim and was holding water, as shown in photograph 6. A mosquito sample was collected from inside this tire. Larvae collected from the tire were identified as being of the Ochlerotatus genus. Ochlerotatus is capable of transmitting West Nile Virus and is the primary carrier of La Crosse encephalitis. The author treated the tire with 5% Abate Tire Treatment. This will aid in the control of mosquito breeding for approximately 30 days.

An open dump containing general refuse, demolition waste and open burning, was observed on another part of the property. Photographs 14 through 16 show the open dump. Demolition waste had been burned in an area near three empty 55-gallon drums, as shown in photograph 13.

The following apparent violations were indicated on the inspection checklist:

1. Pursuant to Section 9(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)), no person shall cause or threaten or allow the discharge or emission of any contaminant into the environment in any State so as to cause or tend to cause air pollution in Illinois, either alone or in combination with contaminants from other sources, or so as to violate regulations or standards adopted by the Board under this Act.

A violation of Section 9(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)) is alleged for the following reason: **Evidence of open burning was observed**

during the inspection that indicated that Richard "Kilroy" Groff had caused or tended to cause open burning which would cause or tend to cause air pollution in Illinois.

2. Pursuant to Section 9(c) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(c)), no person shall cause or allow the open burning of refuse, conduct any salvage operation by open burning, or cause or allow the burning of any refuse in any chamber not specifically designed for the purpose and approved by the Agency pursuant to regulations adopted by the Board under this Act; except that the Board may adopt regulations permitting open burning of refuse in certain cases upon a finding that no harm will result from such burning, or that any alternative method of disposing of such refuse would create a safety hazard so extreme as to justify the pollution that would result from such burning.

A violation of Section 9(c) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(c)) is alleged for the following reason: **Evidence of open burning was observed during the inspection that indicated Richard "Kilroy" Groff had caused or allowed open burning.**

3. Pursuant to Section 21(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(a)), no person shall cause or allow the open dumping of any waste.

A violation of Section 21(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(a)) is alleged for the following reason: **Evidence of open dumping of waste was observed during the inspection that indicated Richard "Kilroy" Groff had caused or allowed open dumping.**

4. Pursuant to Section 21(d)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(d)(1)), no person shall conduct any waste-storage, waste-treatment, or waste-disposal operation without a permit granted by the Agency or in violation of any conditions imposed by such permit.

A violation of Section 21(d)(1) is alleged for the following reason: **Richard "Kilroy" Groff had allowed waste to be disposed without a permit granted by the Illinois EPA.**

5. Pursuant to Section 21(d)(2) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(d)(2)), no person shall conduct any waste-storage, waste-treatment, or waste-disposal operation in violation of any regulations or standards adopted by the Board under this Act.

A violation of Section 21(d)(2) is alleged for the following reason: **Richard "Kilroy" Groff had conducted a waste disposal operation in violation of regulations adopted by the Illinois Pollution Control Board.**

6. Pursuant to Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)), no person shall dispose, treat, store or abandon any waste, or transport any waste into this State for disposal, treatment, storage or abandonment, except at a site or facility which meets the requirements of this Act and of regulations and standards thereunder.

A violation of Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)) is alleged for the following reason: **Richard "Kilroy" Groff had allowed waste to be disposed at this site which does not meet the requirements of the Act and regulations thereunder.**

7. Pursuant to Section 21(p)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(1)), no person shall, in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in litter.

The prohibitions specified in this subsection (p) shall be enforceable by the Agency either by administrative citation under Section 31.1 of this Act or as otherwise provided by this Act. The specific prohibitions in this subsection do not limit the power of the Board to establish regulations or standards applicable to open dumping.

A violation of Section 21(p)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(1)) is alleged for the following reason: **Richard "Kilroy" Groff had caused or allowed the open dumping of waste in a manner which resulted in litter.**

8. Pursuant to Section 21(p)(3) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(3)), no person shall, in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in open burning.

A violation of Section 21(p)(3) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(3)) is alleged for the following reason: **Richard "Kilroy" Groff had caused or allowed the open dumping of waste in a manner which resulted in open burning.**

9. Pursuant to Section 21(p)(5) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)), no person shall in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in proliferation of disease vectors.

A violation of Section 21(p)(5) is alleged for the following reason: **Richard "Kilroy" Groff had caused or allowed the open dumping of waste in a manner which resulted in the proliferation of disease vectors.**

10. Pursuant to Section 21(p)(7) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)), no person shall in violation of subdivision (a) of this Section, cause or allow the deposition of general construction or demolition debris; or clean construction or demolition debris.

A violation of Section 21(p)(5) is alleged for the following reason: **Richard "Kilroy" Groff had caused or allowed the deposition of general construction or demolition debris; or clean construction or demolition debris.**

11. Pursuant to Section 55(a)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/55(a)(1)), no person shall cause or allow the open dumping of any used or waste tire.

A violation of Section 55(a)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/55(a)(1)) is alleged for the following reason: **Evidence of open dumping of used or waste tires was observed during the inspection that indicated Richard "Kilroy" Groff had caused or allowed the open dumping of used or waste tires.**
