## **HEARING OFFICER ORDER**

On May 5, 2005, the parties participated in a telephone status conference with the hearing officer. The parties continue to make progress. A hearing will be held for a related matter on June 27, 2005, that may ultimately provide additional funding for this project. Furthermore, the parties state that their non-attendance at the last status conference was due to a different date in the hearing officer order than that agreed to at the status conference. The hearing officer regrets the error.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on August 4, 2005. The status conference shall be initiated by the complainant. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
