HEARING OFFICER ORDER

On September 30, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant made an oral motion for an extension of time to file its response to respondents' motion to dismiss. Over respondents' objection, the complainant's response to the motion to dismiss is now due to be filed on or before October 4, 2004. The complainant represented that it may also file a motion to consolidate, which is also due to be filed on or before October 4, 2004. The respondents represented that they may file a reply to both of complainant's pleadings.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 18, 2004, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
