HEARING OFFICER ORDER

On September 30, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the parties continue to await the Illinois Environmental Protection Agency's economic benefit analysis (BEN). It appears that the parties have been awaiting the BEN since as early as February 2004. In the interim, the respondent represented that it may forward an offer to the complainant for its review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 23, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
