HEARING OFFICER ORDER

On September 30, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the respective respondents have responded or will respond with additional information in the near future and consequently its respective motions to compel are now moot. The complainant is to respond to the City of Morris interrogatories on or before October 27, 2004. Finally, the parties are to submit a revised discovery cutoff date to the hearing officer.

The parties or their legal representatives are directed to participate in a telephonic status conference on December 2, 2004, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
