HEARING OFFICER ORDER

On April 27, 2005, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that the reimbursement application is being reviewed internally and is optimistic that this matter will be resolved prior to the next status conference. The petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 23, 2005, at 10:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
