**HEARING OFFICER ORDER**

On December 7, 2004, complainant and respondent Caryle Michel participated in a telephone status conference with the hearing officer. Complainant reports that it has taken about seven depositions, and still has one more to take. Complainant just learned where the final witness works, and expects to serve him the subpoena soon. Respondent Michel has made a settlement offer which is currently under advisement at the Illinois Environmental Protection Agency.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on February 17, 2005. The telephone status conference will be initiated by the complainant, but each party is responsible for its own appearance. The parties shall be prepared to discuss the status of this case, and their readiness for hearing.

IT IS SO ORDERED.
