(Permit Appeal – Land)

MOTION FOR EXTENSION OF TIME TO FILE ADMINISTRATIVE RECORD

NOW COMES the Respondent, the Illinois Environmental Protection Agency ("Illinois EPA"), by one of its attorneys, James M. Kropid, Assistant Counsel and Special Assistant Attorney General, and, pursuant to 35 Ill. Adm. Code 101.500, 101.522 and 105.116, hereby requests that the Illinois Pollution Control Board ("Board") waive the normal filing requirements of 35 Ill. Adm. Code 105.116 and grant the Illinois EPA an extension of time within which to file the Administrative Record. In support of this motion, the Illinois EPA states as follows:

1. The Petitioners, Kibler Development Corporation and Marion Ridge Landfill, Inc., filed their Petition for Review of Permit Condition on August 25, 2004. On August 26, 2004, the Petitioners filed their "Exhibit A," which was inadvertently omitted from the Petition. Pursuant to a September 2, 2004, Board Order, the Administrative Record is to be filed with the Board by September 25, 2004, which is thirty (30) days after the filing of their Petition. Since that date falls on a Saturday, pursuant to 35 Ill. Adm. Code 101.300(a) the Illinois EPA calculates that the Administrative Record is due in this appeal on or before September 27, 2004.

2. Due to the press of Illinois EPA business and the physical size of certain portions of this record, the assigned attorney will be unable to complete the preparation of the Administrative Record within the time otherwise allowed.

3. The Petitioner will not be prejudiced if this extension is granted since it is already in possession of the great majority of documents which would constitute the Administrative Record.

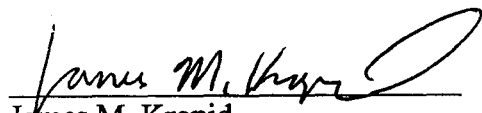

4. No hearing date has been set in this matter.

5. The Illinois EPA and the Petitioner may engage in negotiations which may result in either a settlement of the case or a narrowing of the pertinent issues, thereby avoiding or limiting litigation and the need to prepare the Administrative Record for submission to the Board. Upon express mandate of the Board in response to this motion, the Illinois EPA will keep the Board apprised of any settlement negotiations through status reports or conferences as scheduled by the Board.

WHEREFORE, for the reasons stated above, the Illinois EPA hereby respectfully requests that the Board grant the Illinois EPA an extension of time to file the Administrative Record in this matter to a date not less than thirty (30) days from the date of the Board's issuance of notice of a public hearing in this matter.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent
