HEARING OFFICER ORDER

On December 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discovery is proceeding, but that there are a couple of depositions that have not been completed. To that end, a revised discovery schedule was discussed and is as follows: all depositions to be completed on or before January 15, 2005. All other discovery deadlines have been stayed due to complainant's representation that it intends to file an amended complaint. The amended complaint is due to be filed on or before February 15, 2005. The discovery schedule, including depositions, will be revisited at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 24, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
