ORDER OF THE BOARD (by T.E. Johnson):

On September 7, 2004, Afton Chemical Corporation f/k/a Ethyl Petroleum Additives, Inc. (petitioner) filed a motion to amend the caption in this case regarding its chemical manufacturing facility in Sauget, St. Claire County. To date, the Illinois Environmental Protection Agency has not filed a response to the motion. In the motion, petitioner asserts that effective July 1, 2004, the Ethyl Petroleum Additives, Inc. facility in Sauget changed its name to Afton Chemical Corporation. Mot. at 1. The petitioner contends that the caption in this proceeding should be amended to reflect the current name of the facility at issue in the permit appeal. *Id.*

If a party files no response to a motion within 14 days the party will be deemed to have waived objection to the granting of the motion. *See* 35 Ill. Adm. Code 101.500(d). A certificate of service pursuant to 35 Ill. Adm. Code 101.304(d) accompanied the motion. The Board grants the motion and amends the caption in this matter as reflected in this order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 7, 2004, by a vote of 4-0.
