HEARING OFFICER ORDER

On December 16, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it anticipates that the Illinois Environmental Protection Agency will complete the economic benefit analysis (BEN) within the next 45 days. The BEN will then be used to determine a penalty demand.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 17, 2005, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
