In re: People v. Whiteway Sanitation, Inc.  
Pollution Control Board: 4-140

Dear Clerk:

Please be advised that the undersigned represents Whiteway Sanitation, Inc. in regard to the above-referenced matter. It is my understanding that the President of Whiteway Sanitation, Mrs. Myrtle Pointer, sent a letter to the Illinois Pollution Control Board which was received by the Board on August 5, 2004. I have received a copy of that letter from Javonna Homan from the State of Illinois Attorney General's Office. I had an opportunity to discuss with Mrs. Pointer her letter and the Illinois Pollution and Control Board letter of August 5, 2004 indicating that the Illinois Pollution and Control Board was construing her letter as a reconsideration request. I have discussed this matter in detail with Mrs. Pointer and she did not intend the letter to be a reconsideration request of the Stipulated Agreement.

I hope that this clears up any questions that you might have regarding Mrs. Pointer's letter.

If you need any further information, please do not hesitate to contact the undersigned.

Very truly yours,

  
Clifford C. Emons
