HEARING OFFICER ORDER

On January 20, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that the respondent has approved a corrective action plan and that it will forward a corrective action completion report to the respondent for review in the near future. Petitioner represented that it will file a waiver of the statutory decision deadline to and including December 1, 2005.

The parties are directed to participate in a telephonic status conference on May 5, 2005, at 10:00 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
