**HEARING OFFICER ORDER**

On September 11, 2002, the hearing officer received a letter from the complainant representing that she missed the August 27, 2002 status conference because she is under physician care. Respondent's motion to compel certain discovery was scheduled to be addressed at the August 27, 2002 conference. The complainant indicates that she anticipates that she will be under physician care until October 2002. To that end, the telephonic status conference previously scheduled for September 25, 2002, is hereby canceled.

The parties are directed to participate in a telephonic status conference with the hearing officer on October 17, 2002, at 11:00 a.m. If the complainant is unable to appear due to health concerns, the complainant is directed to notify the hearing officer prior to that date. In any event, the conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter, including the status of discovery, and their readiness for hearing.

IT IS SO ORDERED.
