**HEARING OFFICER ORDER**

On January 10, 2005, a telephonic status conference was held. Respondent, City of Waterman, Illinois (City), did not attend. The City was contacted later by the hearing officer and informed the City of the proceedings. The Illinois Environmental Protection Agency's (Agency) motion for an extension of time to file its response, filed January 3, 2005, was discussed. The petitioner had no objection to the Agency's motion. To that end, the motion was granted to the extent that the Agency's response is now due on or before January 28, 2005. Possible hearing dates were likewise discussed. Tentative hearing dates were scheduled for March 8 and 9, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 15, 2005, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
