HEARING OFFICER ORDER

On September 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it is deciding whether to install a sulfur recovery unit at the facility or close the facility. The parties represented that a meeting will take place prior to the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 23, 2004, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
