HEARING OFFICER ORDER

On November 18, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it has reviewed the facility plan and will forward a letter to the petitioner for its review in the near future. The respondent anticipates that another meeting will take place between the parties prior to the next status conference addressing the issues set forth in the letter.

The parties are directed to participate in a telephonic status conference with the hearing officer on January 20, 2005, at 10:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
