**HEARING OFFICER ORDER**

On November 4, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the respondent is to forward additional financial documents to the complainant in an attempt to reduce the penalty demand. The complainant was directed to file its response to respondent’s affirmative defenses on or before November 19, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 6, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
