October 21, 1993

IN THE MATTER OF:)
)
) AS 92-13
PETITION OF ALUMAX INC.) (Adjusted Standard)
FOR ADJUSTED STANDARD FROM)
35 ILL. ADM. CODE PART 218)

ORDER OF THE BOARD (by B. Forcade):

On October 20, 1993, Alumax filed a "Motion for Extension of Time to File a Second Amended Petition for an Adjusted Standard". Alumax requests an additional extension of 30 days to file a second amended petition. The Board has previously extended the time to file the amended petition until November 12, 1993.

Alumax states that an extension is needed due to ongoing negotiations and exchanges with the Environmental Protection Agency (Agency). In particular, Alumax notes that the Agency has requested the testing of emissions. This test have been completed and the results received on October 12, 1993. Alumax contends that an extension will prevent piecemeal amendments and allow Alumax to submit an amendment that reflects the deficiencies cited by the Board and the negotiations with the Agency. Alumax indicates that the Agency is in support of the motion.

The Board grants Alumax a 30 day extension from November 12, 1993 to file a second amended petition. The Board notes that the second amended petition is now due on or before December 13, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of October, 1993, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
