ORDER OF THE BOARD (by J. Anderson):

On June 4, 1993, The Grigoleit Company (Grigoleit) and the People of the State of Illinois (People) filed a joint status report and a motion to continue. The filing comes in response to the Board's June 17, 1993 order directing the parties to file status reports with the Board by July 16, 1993.

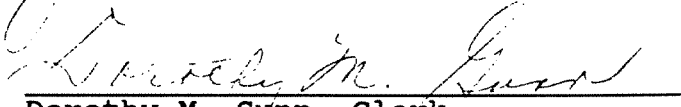

In their status report, the parties request the Board to continue this matter to allow the parties to conduct a settlement meeting and to order the parties to file, by August 16, 1993, either a hearing request, a request for waiver of hearing, or a notification that settlement is not possible.

In support of their request, the parties assert that they have agreed to enter into negotiations in this matter. A meeting has been scheduled for July 26, 1993. At that meeting, the parties intend to either reach an agreement as to settlement terms or determine that settlement cannot be reached. If an agreement is reached, the parties, by August 16, 1993, will either request the hearing officer to schedule a settlement hearing or request a waiver of such hearing. If an agreement cannot be reached, the parties will notify the Board, by August 16, 1993, that settlement is not possible.

The Board notes that this is the seventh motion to continue this matter for the purpose of settlement negotiations. In the interests of administrative economy, however, the Board accepts the status reports and grants the parties' request to continue. The Board cautions the parties, however, that it will not continue this matter indefinitely and that it expects the parties to expeditiously pursue a resolution of this case. The parties are directed to file one of the aforementioned documents in this matter no later than August 16, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23<sup>rd</sup> day of July, 1993, by a vote of 7-1.
