ORDER OF THE BOARD (by C.A. Manning):

Pursuant to our order of June 23, 1994, A.B. Dick Company (A.B. Dick) filed a status report on August 25, 1994. A.B. Dick notified the Board that the parties continue to negotiate a settlement in this matter and in a related case, A.B. Dick v. IEPA, PCB 92-209. The company reports that it has completed sampling, and it has submitted a proposed course of action for completing remediation at the UST site. The parties have been meeting over the past several months and have tentatively scheduled a meeting for late July to negotiate a settlement of all remaining issues.

A.B. Dick remains confident that an acceptable settlement agreement will be reached and requests that this matter not be set for hearing until the parties have exhausted all settlement opportunities. The statutory decision deadline in this case is January 1, 1996, therefore, we hereby accept the status report filed by A.B. Dick, and direct the parties to file an additional status report on or before Thursday, December 8, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of September, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
