HEARING OFFICER ORDER

On June 23, 2005, the petitioner informed the hearing officer that a settlement agreement has been reached but that the reimbursement application is being reviewed by the respondent and is optimistic that this matter will be resolved prior to the next status conference. The petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 25, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
