

ILLINOIS POLLUTION CONTROL BOARD  
October 6, 1994

IN THE MATTER OF: )  
)  
PETITION OF OUTBOARD MARINE ) AS 94-3  
CORPORATION FOR AN ADJUSTED ) (Adjusted Standard)  
STANDARD FROM 35 ILL. ADM. )  
CODE PART 218 SUBPART TT )

ORDER OF THE BOARD (by M. McFawn):

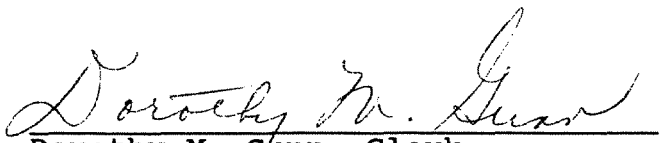

On September 14, 1994 the Illinois Environmental Protection Agency (Agency) filed a motion seeking an extension of time until December 1, 1994 in which to file its response to the petition of Outboard Marine Corporation (OMC) for an adjusted standard. The Agency response was originally due March 16, 1994. The Agency requested and has been granted two previous extensions, the second of which extended the due date until September 12, 1994.

In support of the motion, the Agency states that the parties are discussing the possibility of the Agency becoming a co-petitioner. The Agency states that the ultimate acceptance of a co-petition hinges on the resolution of several issues the Agency raised and which OMC was to investigate. The Agency further states that OMC is preparing a proposed co-petition, but has not yet submitted it for Agency review. Therefore, the Agency states that the requested extension is necessary to allow OMC to complete the proposed co-petition, and to allow the Agency to review it prior to making its recommendation.

We grant the Agency an extension until November 25, 1994 to file its recommendation. Alternatively, if further time is needed for development of the joint petition, to allow on-going negotiations, or to allow the Agency to complete its review of the proposed petition, the parties are directed to file status reports, either jointly or independently, by that date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of October, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
