OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a three-count complaint filed June 24, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Phil Molleck, a Illinois resident and owner of a parcel of land located at 14926 Winchester, in the City of Brimfield, Peoria County, Illinois. The complaint alleges that Phil Molleck has violated Sections 9(a), 9(c), 21(d) and 21(e) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(c), 5/21(d), and 5/21(e), 35 Ill. Adm. Code §§ 201.141, 237.102(a), and 807.201 and 807.702 for discharging air contaminants, opening burning and development and operation of a solid waste management site without a permit.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint Motion requesting relief from the Act's hearing requirement on June 24, 1994. The Board published a Notice of the waiver on June 29, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on June 24, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Phil Molleck denies the alleged violations and agrees to pay a civil penalty of one thousand dollars (\$1,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and

conclusions of law in this matter.
