IN THE MATTER OF:)
)
PETITION OF DART CONTAINER) AS 91-6
CORPORATION OF ILLINOIS FOR) (Adjusted Standard)
ADJUSTED STANDARD FROM)
35 ILL. ADM. CODE 218.986(a))

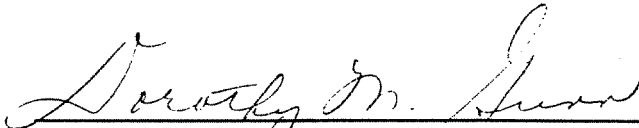

ORDER OF THE BOARD (by J.C. Marlin):

On April 10, 1992, the parties filed an agreed motion for a further extension of time through May 29, 1992 for Dart to file a reply to the Agency's November 8, 1992 response to Dart's October 15, 1991 amended petition. This is the fourth extension which Dart has sought for the purpose of allowing continued negotiations to resolve this matter and reduce or eliminate disputed issues. In the instant motion, Dart states that the parties plan to meet later this month for negotiations, and that it has been investigating various control techniques at the Agency's request.

The Board notes that the original petition in this matter was filed in July, 1991, so that the case is nearly a year old. As the parties appear to have been making progress in this case, the Board will grant this one last extension of time. Dart shall file its reply to the Agency's response on or before May 29, 1992. Hearing shall be scheduled on or before June 29, 1992 and held on or before August 29, 1992 or this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of April, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
