OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed June 27, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Division Lead Limited Partnership, an Illinois Corporation located at 7742 West 61st Place, in the City of Summit, Cook County, Illinois. The complaint alleges that Division Lead Limited Partnership has violated Section 25b-2 of the Illinois Environmental Protection Act (Act)(415 ILCS 5/25b-2) pertaining to toxic chemical release reporting requirements.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on June 27, 1994. The Board published a notice of the waiver on June 30, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on June 27, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Division Lead Limited Partnership admits the alleged violations and agrees to pay a civil penalty of two thousand four hundred dollars (\$2,400.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

Interest shall not accrue during the pendency of an appeal during which payment of the penalty has been stayed.

- 3) Division Lead Limited Partnership shall cease and desist from the alleged violations.

IT IS SO ORDERED.
