On June 9, 2005, the parties participated in a telephone status conference with the hearing officer. Respondent obtained a bid for a noise wall, and proposed to give complainant that sum of money so that he could build the wall. Complainant had some concerns, and the parties agreed to continue discussions to determine if this matter may be settled. Respondent is holding off on hiring a noise consultant pending complainant's decision on the noise wall.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on July 12, 2005. The telephone status conference will be initiated by the complainant.

IT IS SO ORDERED.
