OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a three-count complaint filed October 24, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Colfax Corporation, an Illinois Corporation, located at 2441 North Leavitt, Chicago, Cook County, Illinois. The complaint alleges that Colfax Corporation has violated Sections 9(a) and 9.1(d)(1) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9.1(d) and 40 C.F.R. §61.145(b)(4) and 61.145(c)(3)(i)(A)(B)(1), (2), (3)(ii)(iii) and (b)(i) for inadequate notification of asbestos demolition and renovation activity, improper wetting procedures and improper sealing at the Joliet Army Ammunition Plant located in Will County, Illinois.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on October 24, 1994. The Board published a Notice of the waiver on October 26, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on October 24, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Colfax Corporation neither admits nor denies the alleged violations and agrees to pay a civil penalty of eleven thousand dollars (\$11,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
