ORDER OF THE BOARD (by M. McFawn):

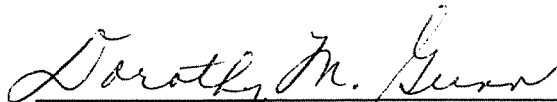

This matter is before the Board on a stipulation of settlement and dismissal, filed jointly by petitioner Robert Schwake Stone Company, Inc. (Schwake) and respondent Illinois Environmental Protection Agency (Agency) on October 10, 1995. The parties stipulate that the Agency will approve reimbursement to Schwake from the Underground Storage Tank Fund for the following costs: 1) \$11,378.31 for costs previously denied as lacking supporting documentation; 2) \$2,728.46 for costs previously denied as costs associated with a tank ineligible for reimbursement; and 3) \$295.00 for cost previously denied as costs not demonstrated to be reasonable. The Agency has agreed to reimburse these costs based on Schwake's submittal of additional documentation and clarification of costs. All other costs for which reimbursement was denied in the invoice voucher dated March 8, 1994 shall not be reimbursed. Based upon this agreement, Schwake withdraws and dismisses its petition in this matter.
