ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Board on a Motion for Reconsideration filed by Viskase Corporation (Viskase) on February 11, 1988. On February 24, 1988, the Illinois Environmental Protection Agency (Agency) filed a Motion to Strike and Agency's Response to Viskase's motion.

Specifically, Viskase requests the Board to reconsider its February 4, 1988 Order which proposed a rule for Second Notice. That proposed rule did not include an exemption from regulation for Viskase. Viskase claims that an exemption is warranted by the facts of the record.

The Agency claims that Viskase's motion is procedurally improper. Citing Section 103.240 of the Board's procedural rules, the Agency concludes that Viskase's motion should be stricken since it is requesting reconsideration of a Second Notice Order which is not a "final order."

The Board has reviewed the substantive position of Viskase as presented in its motion. The Board finds that Viskase raises no new arguments which would persuade the Board to reconsider or vacate its Order of February 4, 1988.

Viskase's Motion for Reconsideration is denied. The Agency's motion is moot.

IT IS SO ORDERED.

J.D. Dumelle, R. Flemal, and M.L. Nardulli dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10<sup>th</sup> day of March, 1988, by a vote of 4-3.
