OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a three-count complaint filed December 9, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Acorn Wire and Iron Works, an Illinois corporation located at 4940 S. Kilbourn, in the City of Chicago, Cook County, Illinois. The complaint alleges that Acorn Wire and Iron Works has violated Sections 9(a) and 9(b) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(b), 35 Ill. Adm. Code 218.204(j), 35 Ill. Adm. Code 201.144 and 35 Ill. Adm. Code 212.309(a) for excessive VOM emissions, operating emission sources without the proper permits and failure to submit an operating program.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on December 9, 1994. The Board published a notice of the waiver on December 15, 1994; no objection to granting of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on December 9, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Acorn Wire and Iron Works admits the alleged violations and agrees to pay a civil penalty of two thousand dollars (\$2,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
