ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on Ford Motor Company's petition for review of permit denial by the Illinois Environmental Protection Agency. On July 9, 1993, Ford filed an open waiver of the decision deadline with the Board. However, Ford also requested that should the parties be unable to reach a satisfactory resolution, that petitioner be granted leave to file a motion before the hearing officer for the purpose of setting both a hearing date and a date certain for final Board action.

Pursuant to 35 Ill. Adm. Code 101.105, contingent waivers are not acceptable. Therefore, the Board construes this motion as an open waiver of the decision deadline. The Board notes that petitioner may file a motion for an expedited decision at some future date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of July, 1993, by a vote of 7-0.
