ORDER OF THE BOARD (by J. Anderson):

On July 12, 1993, the Illinois Environmental Protection Agency (Agency) filed the Agency's record and a motion to file the record instanter. This petition was filed with the Board on March 18, 1993, and the Agency states that it received notice of the petition on that same date. Pursuant to 35 Ill. Adm. Code 105.102(a)(4), the Agency record is to be filed with the Board within 14 days "upon notice of the petition". The record was therefore due to be filed on April 1, 1993. This motion and the record were filed 116 days after the Agency received notice of petitioner's appeal and are 102 days late.

The Board is concerned about the delay in filing this record. The Board also notes with concern the absence of any earlier motion requesting an extension of time. However, because the Agency's record is necessary for the decision of this proceeding, the motion to allow filing of the Agency record instanter is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of July, 1993, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
