ORDER OF THE BOARD (by M. Nardulli):

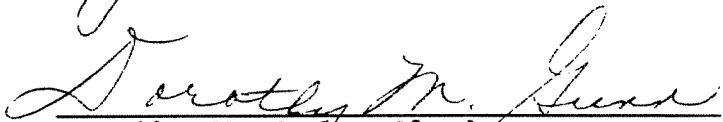

This matter comes before the Board on a petition filed on September 22, 1993, by Allied Composites. On September 29, 1993, Allied Composites filed an open waiver of the statutory decision deadline in this matter. On December 27, 1993, the Agency filed a second motion for extension of time to file record. Also on December 27, 1993, the Agency filed a joint status report. The Agency reports that the parties were engaged in discussions regarding the permit appeal. The Agency believes the discussions will lead to an issuance of a permit acceptable to both parties.

The parties are directed to file a status report with the Board concerning this matter on or before March 1, 1994. The Board hereby grants the Agency's motion for an extension of time to file the record. The record is now due to be received by the Board on or before April 1, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the

6th day of January, 1994, by a vote of
