ORDER OF THE BOARD (by M. McFawn):

On February 7, 2001, the Illinois Environmental Protection Agency (Agency) filed a motion requesting that this matter be dismissed with prejudice. The Agency represents that the permit appeal is moot because the parties have resolved the disputed issues. The Agency also states that it has approved Federal Street Construction's (FSC) corrective action completion report, and issued to FSC a No Further Remediation letter. The Agency further represents that counsel for FSC has been informed of the Agency's motion, and does not object to the relief requested. The motion is granted, and this matter is dismissed with prejudice.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of March 2001 by a vote of 7-0.

Dorothy M. Gunn, Clerk
